We suggest you register early with us as this is a fun and busy event!

**For several months the IMRAB3 Rabies Vaccine was on back order, if you have been remiss in updating your ferret's vaccinations, we suggest that you join us at this event and get your ferrets updated.*

We are a 100% volunteer, non-profit, state licensed Ferret shelter. We provide ferret education, ferret sitting services, rescue and adoptive services as well as daily care for hospice for ferrets. We can assist you with at home supportive care and post surgical ferret care. Has your ferret friend passed away? We understand how sad that can be and are available to talk with you while you are grieving. Sometimes it helps to come and hug another ferret. We have lots of ferrets who would love an extra hug. . We usually have visitors on Wednesday evenings and Saturdays by appointment only, so please call ahead of time (781) 249-4628. **We depend on donations from the kindness of animal lovers to be able to continue our work and the help ferrets and the people who love them!** Donations can also be made by PayPal.

We work together with the following organizations for the benefit of ferrets & folks everywhere
